PURPOSE

The purpose of the New England HIMSS Dvora Brodie Grant-Backed Internship Stipend will be to assist student members in acquiring real work experience to help launch a career in healthcare information technology. The stipend will aid student members in offsetting some of the costs associated with participation in an unpaid internship.

CRITERIA

- Applicants must be current student members in good standing of New England HIMSS.
- Applicants must not have full-time employment.
- Applicants must be completing an academic program in a field reasonably related to healthcare information, informatics or management systems (BS, MS, MD, MPH, MSN, etc.) with a minimum GPA of 2.5 on a 4.0 scale.
- Internships must be completely unpaid ("unpaid" means the applicant is not receiving compensation for services rendered).
- Internships must take place following the student's sophomore year of undergraduate studies or first full semester of graduate studies.
- Applicants must have secured their internship positions and verification of the internship will be completed prior to being awarded the stipend funds.
- No funds will be awarded until NEHIMSS has confirmed the applicant's participation in the internship.
- The internship must total at least 96 hours.
- An applicant is not eligible to receive an internship grant for an internship that is part of an academic course or senior thesis or for which the student has arranged an independent study project.

- Funding will not be available for internships with political campaigns or for internships involved in direct proselytizing for religious work.
- Grants will not be provided to students interning at organizations owned or run by their immediate family members. A grantee's internship supervisor also may not be a family member.
- Students will not receive funding for an internship for which the student has paid the organization to participate in the internship program.
- Applicants must be a US citizen for tax purposes.

INTERNSHIP STIPEND AWARDS

- The grant will be in the form of a stipend intended to offset some of the costs associated with participation in an unpaid internship.
- The chapter will award 2 grants for \$1,250.00 each (standard deductions will NOT be withheld and grant recipients are responsible for all tax implications of the grant. Recipients will be issued an IRS form 1099-MISC for the stipend amount).
- Grant recipients will be selected by the appropriate NEHIMSS board committee based on merit and participation in the chapter.
- Grant recipients must be current student members of NEHIMSS in good standing.
- A selection committee will be convened after the application period closes with grants recipients being announced on May 31st.

Application Process

NEW SCHOLARSHIP APPLICANTS MUST PROVIDE (Checklist):

- Completed application form.
- College transcript (unofficial transcripts are acceptable).
- One (1) academic recommendation from a professor.
- An updated resume.
- A Short essay (250 words) describing your future plans in Healthcare Information, Informatics or Management Systems.

GRANT AWARDS

- Award notification will be given by May 31, 2018.
- Grant checks will be mailed to the students mailing address as indicated in the application.
- Awardees will be issued an IRS form 1099-MISC for the amount of the grant, and are responsible for all tax ramifications. Applicants must be a US citizen for tax purposes
- Award amounts will be distributed on the first day of the student's internship as indicated on the grant application.

Deadline for the application is Monday, April 30th, 2018. Applications received after this date will not be considered.
